PART III

OFFICERS AND EMPLOYEES OF THE AUTHORITY

11. Without prejudice to the other provisions of this Act, the appointment of officers and other employees of the Authority shall be made by the Authority. The terms and conditions of employment shall be established by the Authority with the concurrence of the Minister.

12. (1) The Authority shall appoint and employ, at such remuneration and upon such terms and conditions as it may, in accordance with article 11, determine, such officers and employees of the Authority as may from time to time be necessary for the due and efficient discharge of the functions of the Authority.

(2) The members of the Authority, all officers and employees of the Authority and the members of advisory committees shall be
deemed to be public officers within the meaning of the Criminal Code.

(3) The Minister and the members of the Authority and its officers shall not, for a period of one year following the termination of their appointment or office, engage in any activity which, in accordance with the provisions of article 5(5)(a)(vi), would disqualify a person from holding office as a member of the Authority.

13. (1) The Prime Minister may, at the request of the Authority, from time to time direct that any public officer shall be detailed for duty with the Authority in such capacity and with effect from such date as may be specified in the direction.

(2) The period during which a direction as aforesaid shall apply to any officer specified therein shall, unless the officer retires from the public service, or otherwise ceases to hold office at an earlier date, or unless a different date is specified in such direction, cease to have effect after one year from the effective date of such direction unless the direction is revoked earlier by the Prime Minister.

14. (1) Where any officer is detailed for duty with the Authority under any of the provisions of article 13, such officer shall, during the time in which such direction has effect in relation to him, be under the administrative authority and control of the Authority, but he shall for all other intents and purposes remain and be considered and treated as a public officer.

(2) Without prejudice to the generality of the foregoing, an officer detailed for duty as aforesaid -

(a) shall not, during the time in respect of which he is so detailed -

(i) be precluded from applying for a transfer to a department of the Government in accordance with the terms and conditions of service attached to the appointment under the Government held by him at a date on which he is so detailed for duty; or

(ii) be so employed that his remuneration and conditions of service are less favourable than those which are attached to the appointment under the Government held by him at the date aforesaid or which would have become attached to such appointment, during the said period, had such officer not been detailed for duty with the Authority; and

(b) shall be entitled to have his service with the authority considered as service with the Government for the purposes of any pension, gratuity, or benefit under the Pensions Ordinance and under the Widows’ and Orphans’ Pensions Act and of any other right or privilege to which he would be entitled, and shall be liable to any liability to which he would be liable, but for the fact of his being detailed for duty with the Authority.
(3) Where an application is made as provided in subarticle 
(2)(a)(i), the same consideration shall be given thereto as if the 
appliant had not been detailed for service with the Authority.

(4) The Authority shall pay to the Government such 
contributions as may from time to time be determined by the 
Minister of Finance in respect of the cost of pensions and gratuities 
earned by an officer detailed for duty with the Authority as 
aforesaid during the period in which he is so detailed.

15. (1) The Authority may, with the approval of the Prime 
Minister, offer to any officer detailed for duty with the Authority 
under any of the provisions of article 13 permanent employment 
with the Authority at a remuneration and on terms and conditions 
not less favourable than those enjoyed by such officer at the date of 
such offer.

(2) The terms and conditions comprised in any offer made as 
aforesaid shall not be deemed to be less favourable merely because 
they are not in all respects identical with or superior to those 
enjoyed by the officer concerned at the date of such offer, if such 
terms and conditions, taken as a whole, in the opinion of the Prime 
Minister, offer substantially equivalent or greater benefits.

(3) Every officer who accepts permanent employment with the 
Authority offered to him under the provisions of subarticle (1) 
shall, for all purposes other than those of the Pensions Ordinance 
and of the Widows’ and Orphans’ Pensions Act and, saving the 
provisions of subarticle (6), be deemed to have ceased to be in the 
service of the Government and to have entered into service with the 
Authority on the date of his acceptance, and for the purposes of the 
said Ordinance and of the said Act, so far as applicable to him, 
service with the Authority shall be deemed to be service with the 
Government within the meanings thereof respectively.

(4) Every such officer as aforesaid who, immediately before 
accepting permanent employment with the Authority, was entitled 
to benefit under the Widows’ and Orphans’ Pensions Act, shall 
continue to be so entitled to benefit thereunder to all intents as if 
his service with the Authority were service with the Government.

(5) The Authority shall pay to the Government such 
contributions as may from time to time be determined by the 
Minister of Finance in respect of the cost of pensions and gratuities 
earned by an officer who has accepted permanent employment with 
the Authority as aforesaid during the period commencing on the 
date of such officer’s acceptance.

(6) For the purpose of the Pensions Ordinance, the pensionable 
emoluments of such public officer on retirement shall be deemed to 
be the pensionable emoluments payable to an officer in 
Government service in a grade and at an incremental level 
corresponding to the post and incremental level at which the officer 
retires for the Authority.

(7) (a) For the purposes of this article, posts and salary grades 
with the Authority shall be classified in the most
nearly corresponding grades and incremental levels in the service under the Government by reference to job description, skills, responsibilities and other analogous factors.

(b) The classification referred to in paragraph (a) shall be carried out by a board composed of a Chairperson appointed by the Minister of Finance and two other members, one appointed by the Minister responsible centrally for personnel policies in the public service and one appointed by the Authority. The classification shall be subject to the final approval of the Minister of Finance.

(c) Such classification shall take place within three months of any adjustment of salaries of employees in Government service and, or, of employees of the Authority.

(d) No post shall be classified in a grade higher than that of a Grade 3 in the service of the Government or such other grade that the Minister of Finance may from time to time by notice in the Gazette determine.

(e) Without prejudice to article 113 of the Constitution, no person may, following a classification as aforesaid, be entitled to rights under the Pensions Ordinance less favourable than those to which he would have been entitled prior to such classification.

16. (1) The Authority may, in writing, appoint persons for a specified duration to perform statistical work of any nature which may necessitate access to data collected under the provisions of this Act.

(2) The person so appointed in pursuance of this article shall discharge any specific duties and function as may be assigned to him under this article and by the Authority in his letter of appointment.

17. Every person appointed as an officer of statistics shall, before assuming such duties, subscribe to the oath contained in the Second Schedule.

18. (1) Every officer of statistics who, under this Act, is entitled -

(a) to require the completion and return of any document or the provision of any information orally or in writing from any person or undertaking; or

(b) to inspect, copy or take extracts from, collect or receive any documents relating to any person or undertaking; or

(c) to enter any premises,

shall be provided with a certificate of appointment signed by, stamped or printed with, the name of the Director General.

(2) An officer of statistics acting under this article shall on demand produce his certificate of appointment for inspection.
PART IV

FINANCIAL PROVISIONS

19. (1) Without prejudice to the following provisions of this article, the Authority shall so conduct its affairs that so much of the expenditure required for the proper performance of its functions shall, as far as practicable, be met out of its revenue.

(2) For such purpose the Authority shall levy all fees, rates and other payments prescribed or deemed to be prescribed by or under this Act or any other law related to the powers and functions of the Authority.

(3) The Authority shall also be paid by the Government out of the Consolidated Fund such sums as the House of Representatives, hereinafter referred to as the “House”, may from time to time authorise to be appropriated to meet any of its expenditure that cannot be met out of its revenue and the costs of specified works to be continued or otherwise carried out by the Authority, being works of infrastructure or of a similar capital nature.

(4) Any excess of revenue over expenditure shall, subject to such directives as the Minister, after consultation with the Minister of Finance, may from time to time give, be applied by the Authority to the formation of reserve funds to be used for the purposes of the Authority; and without prejudice to the generality of the powers given to the Minister by this subarticle, any direction given by the Minister as aforesaid may order the transfer to the Government, or the application in such manner as may be specified in the direction, of any part of the fees, rates and other payments levied in accordance with subarticle (2) or any such excess as aforesaid.

(5) Any funds of the Authority not immediately required to meet expenditure may be invested in such manner as may from time to time be approved by the Minister.

20. (1) For the purpose of carrying out any of its functions under this Act, the Authority may, with the approval in writing of the Minister, given after consultation with the Minister of Finance, borrow or raise money in such manner, from such person, body or authority, and under such terms and conditions as the Minister, after consultation as aforesaid, may in writing approve.

(2) The Authority may also, from time to time, borrow, by way of overdraft or otherwise, such sums as it may require for carrying out its functions under this Act:

Provided that for any amount in excess of one hundred and sixteen thousand and four hundred and sixty-eight euro and sixty-seven cents (116,468.67), there shall be required the written approval of the Minister.

21. The Minister of Finance may, after consultation with the Minister, make advances to the Authority of such sums as he may agree to be required by the Authority for carrying out any of its functions under this Act, and may make such advances on such terms and conditions as he may, after consultation as aforesaid, deem appropriate. Any such advance may be made by the Minister
of Finance out of the Consolidated Fund, and without further appropriation other than this Act, by warrant under his hand authorising the Accountant General to make such advance.

22. (1) The Minister of Finance may, for any requirements of the Authority of a capital nature, contract or raise loans, or incur liabilities, for such periods and on such terms and conditions as he may deem appropriate; and any sums due in respect of or in connection with any such loan or liability shall be a charge on the Consolidated Fund.

(2) Notice of any loans, liabilities or advances made or incurred under subarticle (1) shall be given to the House as soon as practicable.

(3) Pending the raising of any such loan as is mentioned in subarticle (1), or for the purpose of providing the Authority with working capital, the Minister of Finance may, by warrant under his hand, and without further appropriation other than this Act, authorise the Accountant General to make advances to the Authority out of the Treasury Clearance Fund under such terms as may be specified by the Minister upon the making thereof.

(4) The proceeds of any loan raised for the purposes of making advances to the Authority, and any other moneys to be advanced to the Authority under this article, shall be paid into a fund specially established for the purpose and which shall be known as the “Statistics Authority Loan Fund”.

(5) Sums received by the Accountant General from the Authority in respect of advances made to the Authority under subarticle (3) shall be paid, in respect of amounts by way of repayment, into the Treasury Clearance Fund, and, in respect of amounts received by way of interest, into the Consolidated Fund.

23. (1) The Authority shall cause to be prepared in every financial year, and shall not later than six weeks after the end of each such year adopt, estimates of the income and expenditure of the Authority for the next following financial year:

Provided that the estimates for the first financial year of the Authority shall be prepared and adopted within such time as the Minister may by notice in writing to the Authority specify.

(2) In the preparation of such estimates the Authority shall take account of any funds and other monies that may be due to be paid to it out of the Consolidated Fund during the relevant financial year, whether by virtue of this Act or an appropriation Act or of any other law; and the Authority shall so prepare the said estimates as to ensure that the total revenues of the Authority are at least sufficient to meet all sums properly chargeable to its revenue account including, but without prejudice to the generality of that expression, depreciation.

(3) The estimates shall be made out in such form and shall contain such information and such comparison with previous estimates as the Minister of Finance may direct.

(4) A copy of the estimates shall, upon their adoption by the Authority, be sent forthwith by the Authority to the Minister and to
the Minister of Finance.

(5) The Minister shall, at the earliest opportunity and not later than six weeks after he has received a copy of the estimates from the Authority, approve the same with or without amendment after consultation with the Minister of Finance.

24. (1) No expenditure shall be made or incurred by the Authority unless provision therefor has been made in the estimates approved as provided in article 23.

(2) Notwithstanding the provisions of subarticle (1) -

(a) until the expiration of six months from the beginning of a financial year, or until the approval of the estimates for that year, whichever is the earlier date, the Authority may make or incur expenditure for carrying on its functions under this Act not exceeding in the aggregate one-half of the amount approved for the preceding financial year;

(b) expenditure approved in respect of a head or sub-head of the estimates may, with the approval of the Minister, given after consultation with the Minister of Finance, be made or incurred in respect of another head or sub-head of the estimates;

(c) in respect of the first financial year, the Authority may make or incur expenditure not exceeding in the aggregate such amounts as the Minister of Finance may, after consultation with the Minister, allow;

(d) if in respect of any financial year it is found that the amount approved in the estimates is not sufficient or a need has arisen for expenditure for a purpose not provided for in the estimates, the Authority may adopt supplementary estimates for approval by the Minister, and in any such case the provisions of this Act applicable to the estimates shall as near as practicable apply to the supplementary estimates.

25. The Minister shall, at the earliest opportunity and not later than eight weeks after he has received a copy of the estimates and supplementary estimates of the Authority, or if at any time during that period the House is not in session, within eight weeks from the beginning of the next following session, cause such estimates to be laid on the Table of the House.

26. (1) The Authority shall cause to be kept proper accounts and other records in respect of its operations, and shall cause to be prepared a statement of accounts in respect of each financial year.

(2) The accounts of the Authority shall be audited by an auditor or auditors to be appointed by the Authority and approved by the Minister:

Provided that the Minister of Finance may, after consultation with the Minister, require the books and accounts of the Authority to be audited or examined by the Auditor General who shall for the purpose have the power to carry out such physical checking and other certifications as he may deem necessary.
