What is the source of the Water Supply; the quality of the Water; and the amount of Water available for all purposes, expressed in gallons per Patient per day?

## I. Lavatories—

What is the total number, and average number of Patients to each?

The source of the water supply is a natural spring; the quality of the water is good and the quantity is unlimited.

34 — 29 patients.

## HOSPITAL FOR MENTAL DISEASES RETURN.

## II. Baths—

- a) What is the total number, and average number of Patients to each? 32 — 30 patients.
- b) How often are the Patients bathed? As often as required.
- c) Is fresh water given to every Patient? Yes.
- d) Is the supply of hot water adequate? Yes.
- e) Is a responsible official or nurse always present during bathing? Yes.

## III. Latrines—

- What is the total number, and average number of Patients to each seat? 39 — 24 patients.

## Question II. (Management).

- Is a physical examination of each Patient made by a Medical Practitioner immediately on admission? Yes.

## RESTRAINT.

Restraint	Seclusion (i.e., the isolation of a Patient by the closing, by any means whatsoever, of the door of the room in which the Patient is, between one hour after the day-staff commence duty and 7 p.m.).		Mechanical Restraint	
	Males	Females	Males	Females
The number of times resorted to ...	1	Nil.	Nil.	Nil.
The number of persons subjected to ...	1	Nil.	Nil.	Nil.
The greatest duration of, in any single instance	9 days	Nil.	Nil.	Nil.

In reference to the above table state—

I. By whose authority Patients are restrained?

By the written authority of the Medical Officers.

II. What kinds of mechanical restraint are in use?

None.

III. Whether any, and if any, how many cases of cruelty by nurses to patients have been brought to the notice of the proper authority, and what was the result in each case?

None.

IV. What was the number of cases of injury to patients—

a) Self-inflicted?

4  
6 Slight

b) By other Patients?

Nil.

c) By Nurses?

7 Slight.

d) As the result of accident?

## HOSPITAL FOR MENTAL DISEASES RETURN.

## (OCCUPATION).

State the extent of—

(I) The airing court.

(II) And other grounds.

Are the Patients, as a rule, given daily exercise, their health permitting?

Are they confined to airing courts, or allowed to walk in other grounds, and sent beyond the Hospital?

Are any means taken to amuse the patients or to induce them to amuse themselves? Detail them.

How many religious services were held in 1932?

What was the average attendance?

In what building and how many could it contain?

ACRES R.P.

1 1 17

17 3 19

Yes.

} Belonging to the Hospital.

Some are confined in airing courts, some are allowed to walk in the grounds and some are sent beyond the Hospital.

Yes: cards, periodicals, pleasure trips, musical entertainments

557 services.

83 — Males 48. Females 34.

In the Chapel which has accommodation for 160 patients.

## Daily Average Number of Patients who were employed in 1933.

Distinguishing the Sexes	Specifying the character of the Employment		
	Agriculture and gardening	Trade	Household work, Dressing Water &c.
Males ... ..	6	11	62
Females ... ..	—	36	40

## Question III. (Diet).

## Dietary Table.

(For patients on ordinary diet exclusive of extra articles of diet.)

Bread 20 oz. Meat 4½ oz.—Paste or Rice 3 oz.—Vegetables 1½ ration.  
Fruit 1 ration—Milk 2 oz.—Coffee ½ pint and Sugar ½ oz.

## Question IV. (Inspection).

Divide the Patients in the Hospital into the following Classes:—

	MALES.	FEMALES.
I. Idiots and Imbeciles ... ..	60	27
Of whom are Epileptics ... ..	10	12
II. Presumably recoverable ... ..	73	65
III. Chronic and presumably irrecoverable ... ..	416	379
Of whom are:—		
(a) Turbulent and dangerous ... ..	122	113
(b) Suicidal ... ..	2	1
(c) Sick and Infirm ... ..	59	80
(d) General Paralytics ... ..	5	—
(e) Epileptics ... ..	19	27
(f) Senile Dements ... ..	79	75
(g) Able-bodied and not included in any of the headings (a) to (f)	160	83
Population ... ..	519	444
Total ... ..	963	

## HOSPITAL FOR MENTAL DISEASES RETURN.

Number of Visits of Inspection paid to the Hospital in 1933.

Visits in which all patients were seen and every part of the building visited, and Visits of Partial Inspection	Official Position of the Visitors				
	By the Governor or Colonial Secretary		By a Government Inspector	By a Committee of the Governing Body	By an Inspector specially charged to ascertain the general Mental Infirmary or otherwise of the Patients
	By Appointment	Of Surprise			
1. Complete Inspections...	1 on 29.9.33	NIL	The Comptroller of Charit. Institutions visits weekly the Hospital by appointment or by surprise. The Chief Govt. Medical Officer visits the Hospital once a month by surprise.	A Board inspects the Hospital once a week.	This duty is performed by the Resident Physician. A Board meets weekly to testify to the insanity of the patients admitted during the week, and to sanction the discharge of patients.
2. Partial Inspections ...	Nil	Nil.			

State how many Reports of the following kinds have come under the notice of the Governor:—

(I.) Financial and Statistical (showing, amongst other things, on what system the Money and Store Accounts are kept and audited.)

(II.) Reports by the Person or Persons charged with the immediate management of the Hospital.

(III.) Reports by an Official Inspector independent of the Governing body of the Hospital.

(I.) The Comptroller of Charitable Institutions renders to the Treasurer his money Accounts monthly, and to the Auditor a Store Account, annually, according to Regulations.

(II.) The Medical Superintendent of the Hospital sends weekly, monthly, quarterly and annual statistical returns and monthly financial reports to the Comptroller of Charitable Institutions. He also furnishes other reports regarding the management of the Hospital.

(III.) The Comptroller of Charitable Institutions performs this duty, and reports to the Government the result of his inspections when necessary. He also furnishes an annual report on the working of the Department.
