

Consent Form – Malta Statistics Authority Recruitment Process

Part A:

By signing this form,

I acknowledge that personal data provided has been submitted either

- Directly by the undersigned, or
- Indirectly, through an employment agency;

as part of the Malta Statistics Authority (MSA) recruitment process. All information provided is truthful and accurate.

Part B:

I acknowledge and consent that:

Purpose of Use:

Personal data is collected and used by the MSA and its delegates solely for the following purposes:

- Assessing and evaluating suitability for employment in any current or prospective position within the MSA;
- Verifying the identity and the accuracy of the personal details and other information provided.

Retention of Information:

- Successful Applicants:

Should the application be successful, relevant personal information shall be retained by the Directorate of Corporate Services, within the National Statistics Office, exclusively for the management of human resources.

- Unsuccessful Applicants

In the case of an unsuccessful application all information provided shall be retained by the Directorate of Corporate Services, within the National Statistics Office, for a period of one year from the date of interview, for audit and possible prospective employment opportunities, after which the information will be destroyed.
