GOZO IN FIGURES 2014

The National Statistics Office (NSO) will be launching a compact collection of regional statistics, a sequel to a publication first issued two years ago.

Gozo in Figures 2014 is a useful tool, enabling policy makers and stakeholder organisations to attain a picture of Gozo’s level of development in comparison with Malta, therefore contributing to more informed decisions on the island’s future.

Details of the launch are as follows:

DATE: Wednesday 21 May 2014
TIME:  10:00 hrs
PLACE: Exhibition Hall - Ministry for Gozo
       St Francis Square, Victoria, Gozo

Public officials, organisations and the media are cordially invited to participate.
