Insert under general heads the Receipts and Disbursements, so as to exhibit distinctly and separately, the Sources from which the Receipts have been derived on the one hand, whether from the Resources of the Colony, from Parliamentary Grants, or from his Majesty's Treasury:— and on the other, the Total Expense incurred by each Department of the Government, distinguishing the ordinary established Charge of the several Offices, from their Contingent and Accidental Expenses.

Also such Observations as may be sufficient to explain the causes, and point to the remedy of any deficiency in the Revenue, or excess of the Expenditure.
