MODE OF ELECTION.—*Vide Proclamation of June 23, 1849.*

A list, subject to revision, of persons deemed qualified to vote for the election of Members to serve in the Council of Government is published in the Government Gazette. A Commission appointed by the Governor holds sittings to receive claims, consider objections &c. which must be made within 7 days of the date of the above list. A list of persons entitled to vote for the election of Members to serve in the Council of Government is then published in the Gazette. Tickets are then prepared by the Commissioners, distributed, and after 2 days are collected and then verified. The Commissioners deposit, in the Court of Appeal, a certificate describing the persons who have received the greatest number of votes, a copy of which certificate is transmitted by the Registrar of the Court of Appeal to the Clerk of the Council—who publishes in the Gazette the names of the PERSONS RETURNED.

N.B.—At a GENERAL election for MALTA each elector has the right of naming on his ticket, four persons for whom he votes.
