Methodological Notes

1. In line with international methodology, annual data are being presented as an average for each respective year.
2. The statistics in this release are based on the administrative records of the Employment and Training Corporation (ETC).
3. The data in this release are to be considered as current and therefore subject to revision. Monthly data are revised in T+12.
4. Full / part-time status is defined by what the employer (employer or self-employed) declares in the Engagement Form which is required to be sent to the ETC upon the commencement of employment.

Definitions

Part 1 of the unemployment register: Those registering under Part 1 are either new job seekers who have left school, re-entrants into the labour market, and job losers who have been made redundant by their former employer.

Part 2 of the unemployment register: Those registering under Part 2 are either workers who have been dismissed from work due to disciplinary action, left work out of their own free will, refused work or training opportunities or were struck off the register after an inspection by the Law Enforcement personnel.
