

STATISTICAL OFFICER WITH SPECIALISATION IN

PUBLIC FINANCE

FULL-TIME

• ROLE •

Are you passionate about data and keen to make an impact in the field of Public Finance? The NSO is looking for talented and driven individuals to join our dynamic team on a full-time, indefinite basis. If you have a background in Accountancy, Economics and/or Banking and Finance, this is your opportunity to turn your skills into a rewarding career with Malta's National Statistics Office.

Why join us ?

As a Statistical Officer at NSO, you'll play a crucial role in designing and improving data collection methods, verifying, and analysing data, and interpreting your findings to influence key policy decisions. You'll be at the heart of Malta's statistical landscape, contributing to research, helping build public confidence in data, and representing Malta in national and international statistical discussions.
